

WOMEN'S GROUP

meets the fourth Sunday of each month throughout the year

Women's Group has been meeting regularly at Fresh Pond Meeting since 1989. We meet at the rise of Meeting from 11:30 to 1:00. All women attending Fresh Pond Meeting are welcome at Women's Group. We ask you to make a commitment to the group by arriving on time, staying until it is over and that your attendance be faithful. We also ask that you maintain the group's confidentiality to ensure safety and trust within the group. Babes in arms are welcome if child care is not available.

In Women's Group we wish to create a sacred space for an intimate sharing of our spiritual journeys. Our journeys reflect the multiple roles in our lives including daughter, sister, partner, friend, wife, mother and spiritual being. They also include other aspects of our lives such as our work, our fears, our hopes and our understanding of the Spirit. Women's Group seeks to nurture and support our individual spiritual growth. We listen carefully to each other, pray for each other and hold each other and the group in the Light.
